Dear valued member

RMI MEMBER TRAINING - GUARDRISK ONLINE WEBINAR

Guardrisk Insurance Company will be hosting an online workshop for members on **Wednesday 24 November from 10:00 to 11:00** providing invaluable insights into the **importance of Motor Traders insurance in helping businesses and organisations provide coverage for any unexpected and unusual risk exposures during business operations.**

If Covid and the recent riots and looting in KwaZulu Natal have taught us anything, it is to expect the unexpected and to appreciate the impact on business.

We strongly recommend someone from your organisation attends to ensure you are sufficiently covered on all business risks associated with your business.

Attached please find an invitation or click Guardrisk online webinar to attend the Microsoft Teams session.

Yours faithfully,

JAKKIE OLIVIER
