MANUFACTURING, ENGINEERING AND RELATED SERVICES SETA

Dear Stakeholder

merSETA hereby invites you to a Skills Development roadshow to capacitate you on the next cycle of mandatory and discretionary grant funding windows on the **NSDMS (National Skills Development Management System).**

The roadshow will focus on:

- Overview of the merSETA strategy
- Mandatory Grants process
- Discretionary Grants process
- merSETA learner management system

To comply with the COVID regulations, it is important that you confirm your attendance and indicate which timeslot you will be attending as space is limited to address the social distance aspect.

Kindly contact the merSETA regional offices for venue information and to confirm your attendance as no confirmation will result in you not being able to attend.

NB: It is imperative for labour or employee Skills Development Facilitators (SDFs) to attend this session. Please also indicate the capacity in which the participants will be attending the session e.g., Labour or employee SDF (which ever is applicable) or primary Skills Development Facilitator.

We look forward to meeting you on the day.

Yours Skills Development
