The primary transport tariffs applicable to the transport of petrol and diesel mainly by means of the pipeline network has increased. As a result of the different transport tariff adjustments to be implemented on 04 May 2022, price changes to similar products will differ in the 54 Magisterial District Pricing Zones.

Short-term Relief Measure to Address Fuel Price Increases

Due to the ongoing Russia - Ukraine conflict which has affected fuel prices globally, the temporary reduction in the general fuel levy of R1.50 announced by the Minister of Finance in consultation with the Minister of Mineral Resources will continue during the month of May, until Tuesday the 31st of May 2022. The total fuel levy will remain 244.00 c/l for petrol and 230.00 c/l for diesel during this period.
